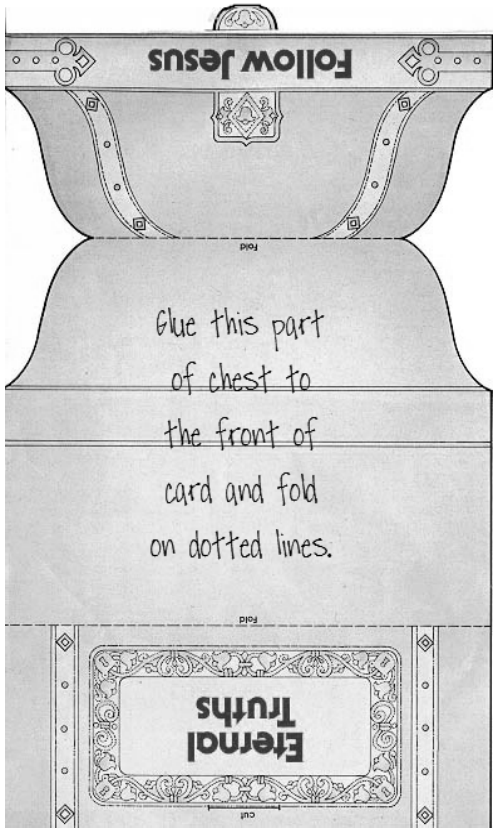
I will learn more about the teachings of Jesus Christ

Glue your treasure chest here.

Do you ever wish that you had a lot of money? People often think that money or possessions will make them happy. Jesus gave us something more valuable than earthly treasures. He taught us how we should live. After Jesus told His disciples to follow Him, He taught them what they could do to be like Him. He went up on a mountain near the Sea of Galilee and gave a sermon. The truths He taught the people then can help us today too.



INSTRUCTIONS:

Cut out the treasure chest and mount it on card using a glue stick or tape. Cut out each jewel and place them inside the chest.
