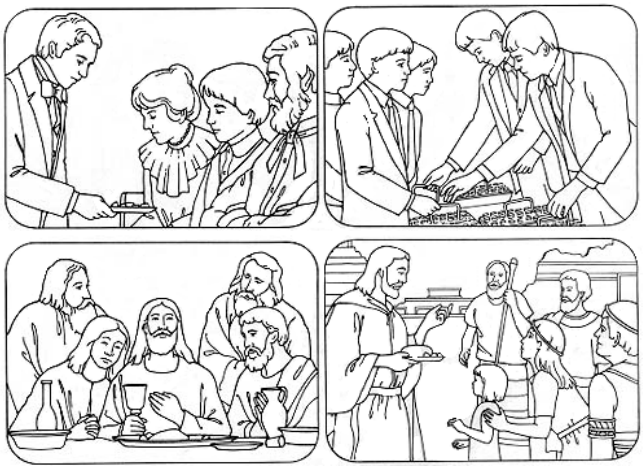
The Sacrament

The sacrament is a blessing, and we can show our gratitude for it by being reverent as the sacrament is being prepared and passed. Being reverent during the sacrament includes thinking about Jesus and what He taught us. By taking the sacrament, we show that we are willing to keep the commandments and always remember Him.



Luke 22:19-20

D&C 20:75-79

D&C 59:9

3 Nephi 18:6-11

Jesus Christ has revealed the ordinance of the sacrament on several different occasions. Cut out scripture references and pictures. Study the scriptures listed then put each one with the picture that it tells about. Color the pictures and put them in the order in which you think they happened. At your next family home evening, use the pictures and scriptures to tell about the sacrament.
