Our Dearest Primary Children and Families,

We thought a gift which reminded each of us about our Savior would be most appropriate.

The prophets have asked you to read the scriptures every day. During the month of December, read about Jesus' birth and the miracles He performed. Talk with your family about the precious gift of the Atonement. As you learn the stories of Jesus, you will be blessed to feel His love for you and your testimony of His gospel will grow.

Each day during December look up the scripture reference for that day on the other side of this letter. Read the stories of Jesus. Then place a sticker (included in this gift) on the scripture for that day. Each day also lists a picture from the Gospel Art Picture Kit (GAK) that can accompany the story.

For those of you who do not access to a Gospel Art Kit you can locate the pictures online at:

We have laminated this advent calendar so you can reuse it each year by removing the stickers and placing it in a safe place for the following year.

Merry Christmas!

With Love,

The Primary Presidency
