

When I think about my body,
the best part of it is...

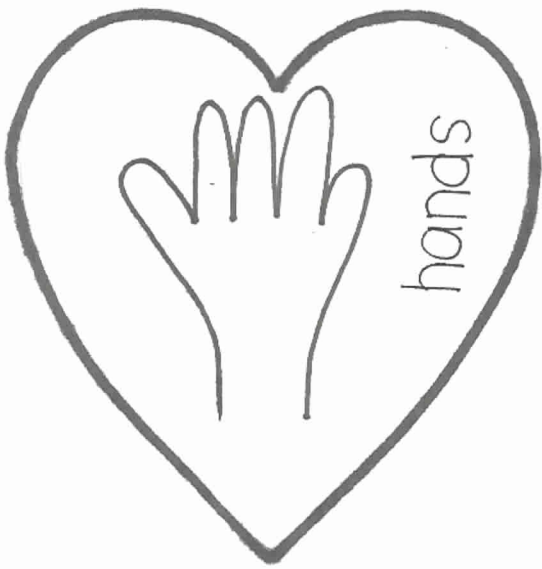

... that Heavenly Father planned it
to look very much like His.

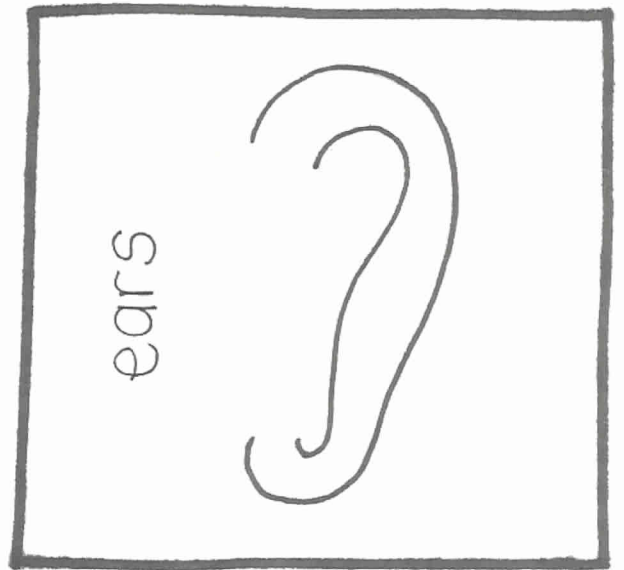

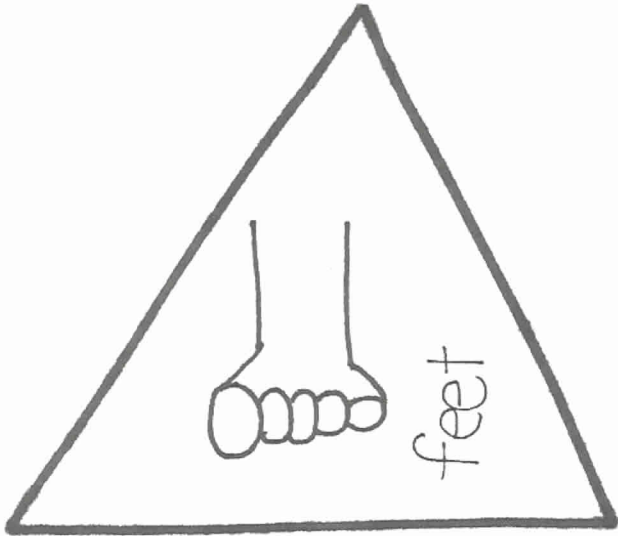

Can you
match
the shapes
or the ways we
are similar to
Heavenly Father?

Heavenly Father Has a Body

How to make File Folder Game 2:

1. Color all three sheets. Cut out the shapes that have words inside them.
2. Cut the remaining two pages out (around border). Mount the two pages onto an open file folder.
3. Glue the game label onto the file folder tab.
4. Laminate the inside of the file folder and the pieces.
5. Place a small piece of Velcro or magnetic tape, to each shape on the file folder. Add the other side of the Velcro or magnet to the back of the remaining shapes.
6. Store pieces in an envelope taped to the back.
