Summary: This activity will give the youth a chance to freshen up on their Articles of Faith. For every Article of Faith memorized, a topping for a banana split will be earned.

What you will need for this activity:

Vanilla, chocolate, and strawberry ice cream, plastic bowls and spoons, caramel, strawberry, and chocolate syrup, whipped cream, nuts, sprinkles, and maraschino cherries.

Activity:

Announce the activity in advance so that the youth get a chance to work on memorizing or freshening up on the Articles of Faith.

On the night of the activity, setup the stations as per below. Depending upon how many leaders you have available will depend on how many stations you need. So, if you only have four leaders available, then you will need to have the youth recite 3 articles of faith per station and then be served the toppings accordingly. If you have a large amount of youth

and enough leaders, then you can have perhaps two stations for # 1 to recite etc. that way one station is not overloaded. The leaders can determine the rules as to whether or not the Articles of Faith can be sung, if hints can be given, or if they need to be 100% perfect.
