

Like sunshine in the morning that
wakens day from night,

Like flowers in the springtime so
colorful and bright,

Like happy songs of bluebirds that fill
the air with cheer,

A person bright and lovely is my
mother dear.

Like sunshine in the morning that
wakens day from night,

Like flowers in the springtime so
colorful and bright,

Like happy songs of bluebirds that fill
the air with cheer,

A person bright and lovely is my
mother dear.
