

Patriarchal Blessing Scavenger Hunt #1

1. This small piece of our bread “instruction” is essential to us! Without it we won’t have any idea of what to do! So look to the big room where we receive instruction each Sunday.
2. This item can be used to give lift to our bread, so look in the place where we can receive lift to get up on the Church stage!
3. This can be set apart and used to give us blessings, so check with the Priesthood Leadership we look to each week at Mutual!
4. To find this essential piece you have this clue, in this place you can find those family members who came before us in time.
