

Patriarchal Blessing Scavenger Hunt #2

1. This particular piece of our bread making equipment holds it all together. Find it near the place where we often find paper clips, tape and such to hold things together!
2. This SWEET piece of our bread making ingredients can be found in the place where we hear SWEET music played in our opening exercises on Sunday.
3. Without this piece of equipment our bread could be doughy or burned, so find it near the “timer” that we use to keep things on track on Wednesday nights!
